

# CALL FOR PATRONS

## 2015 IEEE SENSORS APPLICATIONS SYMPOSIUM

April 13-15, 2015 • Hotel Kolovare • **Zadar, Croatia**

SAS provides a forum for sensor users and developers to meet and exchange information about novel and emergent applications in smart sensors, homeland security, biology, medicine, system health management, and related areas. The main purpose of SAS is to collaborate and network with scientists, engineers, developers, and customers through formal technical presentations, workshops, and informal interface meetings.

### **Patron Opportunities**

**GOLD: \$1000 USD**

- 1 complimentary Symposium registration
- Company logo on SAS 2015 website
- Company logo in printed program
- Exhibit booth at SAS 2015
- Opportunity to give a brief talk about the company at the Symposium
- Opportunity to add promotional items to the attendee bag

**SILVER: \$850 USD**

- 1 complimentary Symposium registration
- Company logo on SAS 2015 website
- Company logo in printed program
- Exhibit booth at SAS 2015
